Summary

B.Sc. Computer Science graduate (2026, 80%) with hands-on Python experience from a data analytics internship, where a dataset was built with Pandas and results were presented using Matplotlib. Experienced in working within 5–7 member teams and in leading volunteer teams at large public events. Seeking an entry-level technical role in software or data.

Education

Aditya Degree College — Visakhapatnam, India
Bachelor of Science in Computer Science; Aggregate: 80% — *2023 – 2026*

B.V.K. Junior College — Visakhapatnam, India
Intermediate Education (MPC); Percentage: 62% — *2021 – 2023*

P.E.N. School — Visakhapatnam, India
Secondary School Education (SSC); Percentage: 99% — *2020 – 2021*

Technical Skills

Programming: Python (Intermediate)
Data Analysis & Viz: Pandas, Matplotlib
Databases: SQL (Basic)
Web Development: HTML, CSS (Intermediate), JavaScript (Basic)
IT Fundamentals: Windows Troubleshooting (Basic), OSI Model
Productivity Tools: Microsoft Office Suite

Experience

Aditya Network / Adhoc Network — Visakhapatnam, India
Data Analytics Intern (Python) — *Dec 2025 – Mar 2026*

- Collaborated with a 6–7 member team to generate, clean, and analyze a hospital appointment dataset; built the dataset using Python and Pandas.
- Presented analytical results and operational patterns as visual graphs and charts created with Matplotlib.
- Successfully completed all assigned data cleaning, analysis, and visualization modules within scheduled deadlines.

Projects

Zeeshan Restaurant Website — Adhoc Aditya Tech Fusion Hackathon
Frontend Developer — *Nov 2024*

- Worked in a 5-person team to design the front-end layout and visual direction of a static restaurant website during a 5-day hackathon.

Leadership & Volunteering

Vizag Volunteers — Visakhapatnam, India
Volunteer Team Lead — *Oct 2024 – Present*

- Led a 20-member volunteer team, coordinating crowd operations, on-ground logistics, and help-desk activities for major events including the Vizag Navy Marathon and Yogandhra.
- Served as the primary point of contact for live queries, liaising between teams to resolve operational bottlenecks in real time.

Certifications

- Python Programming – Cisco Networking Academy
- Digital Infrastructure – Cisco Networking Academy
- Cloud Computing – Infosys Springboard
- Python for Data Science – Infosys Springboard
- Generative AI – Microsoft and DigiSaksham

Interests

Chess, Karate, Badminton
